

safety factor. There are a lot of Freaks out there. I am a working parent who has children in the home to worry about. Why have strangers roaming my neighborhood while my kids are at home or playing in the yard? There were several murders in the past years from sales solicitors locally. At the very least I feel it is imperative to have each sales solicitor pay for a background check. Is that done? But here is a suggestion and it is a win win really. Is there such a thing in any town that there is a town wide no solicitation? With an opt in to be solicited? Of course by law religion and political and non profit do not apply. That would be the safest and

Ms. Kisseberth -

I am in receipt of you e-mail with your concerns for [REDACTED] I have assigned this to a Code Officer to check and we will also check with the Police Department.

As was the case here you did the correct thing by notifying the Police Department. We will do our follow up and either a Code Enforcement Officer or myself will update you on any action within the next day.

If you have any questions or concerns, please let us know.
